

# Anti Ageing Conference London 2004

[www.antiageingconference.com](http://www.antiageingconference.com)

Dear Colleague,

It gives me great pleasure to invite you to the Anti-Ageing Conference London, United Kingdom, taking place September 10<sup>th</sup> – 11<sup>th</sup>, 2004.

This leading-edge and CME (16 Hours Category 1 Credits) / CPD (12 Hours accreditation) / Complementary Medical Association (CMA) (12 Hours accreditation) accredited conference has attracted speakers who are amongst the most highly-regarded and renowned medical doctors, scientific researchers and preventative healthcare experts in the world.

Speakers include **Dr Robert Goldman** the Chairman of the American Academy of Anti-Aging Medicine (A4M) and **Dr Ronald Klatz** the Founding President of the A4M (and the organizers of the Annual World Congresses of Anti-Aging Medicine in the USA and around the world) who have spearheaded the industry in the USA.

**Dr Thierry Hertoghe** MD the President of EAQUALL and **Dr Michael Klentze** MD. PhD, ABAAM, A4M, and the Head of ESAAM (European Society of Anti-Ageing Medicine).

The United Kingdom's **Dr. Aubrey de Grey** B.A., M.A. and Ph.D, whose work in bioinformatics at the Department of Genetics at Cambridge University has been a significant contribution to the development of a true cure for human aging.

This conference is an excellent opportunity for you to network with your peers and the world experts in the industry as well as being able to attend educational workshops and panel discussions.

It is also a fantastic opportunity to taste some fine English hospitality and entertainment at the Covent Garden Festival of Street Theatre, the Chelsea Antiques Fair and the Thames Festival, all taking place over the weekend of September 10<sup>th</sup> – 12<sup>th</sup>, 2004. (See [www.londonvisions.com/events\\_september.htm](http://www.londonvisions.com/events_september.htm) for more information on these events)

To register either book on-line or e-mail us to obtain a registration form:

- on-line: [www.antiageingconference.com](http://www.antiageingconference.com)
- e-mail: [conference@antiageingconference.com](mailto:conference@antiageingconference.com)

The preventative health and Anti-Ageing Industry is a relatively new and dynamic field in the UK and is revolutionising the way the medical world looks at the ageing process. This is not limited to an external cosmetic viewpoint, but focuses on genetics, endocrinology, cellular chemistry, metabolism and nutrition.

Please contact us if you require pricing information for your partner or others who might accompany you to the conference, exhibition or Gala dinner.

We look forward to hosting you at this exciting event!

Kind Regards,

Heather Bird  
Chairperson Anti-Ageing Conference London (AACL)
