Glyphosate, Genetically Modified Organisms(GMOs), Toxicity, and the Impact on the Microbiome of Soil and the Intestine

Dr William Shaw PhD

12:05 - 12:30 • Lecture

Unlocking the Aging Code: New Advancements in Telomere Diagnostics

Dr Tamsin Lewis

12:30 - 13:00 • Speaker Panel

Prof Donald Craig Willcox

Dr Cristiana Aperio

Dr Veronica Di Nardo

Dr Appukuttannair Sreekumar

Dr William Shaw

Dr Tamsin Lewis

13:00 - 14:15 • Lunch Break

Programme for Friday Afternoon, October 13th, 2017

14:15 - 14:40 • Lecture

Female Sexual Dysfunction

Dr Jennifer Krup MD ABAAM

14:40 - 15:05 • Lecture

Empowering You to Reach Optimum Health.....Nature's Way

Dr Zayd Ratansi

15:05 - 15:30 • Lecture

Osteoporosis and Bone Health in the Light of the New Bone Biology

Dr Nicholas J. Miller MA MSc PhD CSci MCB FRCPath

15:30 - 16:15 • Fruit Break

16:15 - 16:40 • Lecture

Health starts in the Mouth

Prof Tilmann Fritsch PhD

16:40 - 17:05 • Lecture

NAD+ Precursors as Therapeutic Agents for Age-related Degenerative Diseases

Dr Nady Braidy

17:05 - 17:35 • Lecture

The Effects of The TDOS Syndrome (Toxicity, Deficiency Obesity and Stress) on human life and what can be done about it.

Dr Joshua Dunsky DC

17:35 - 18:00 • Fruit Break

18:00 - 18:25 • Lecture

The Key to Health and Longevity - the Ultimate Lifestyle Strategies

Prof Karl J Neeser PhD.

18:25 - 18:50 • Lecture

Live, Fast and DON'T Die Young: Is fasting the solution to ageing?

Ms Tara Hambley BSc (Hons) ND

18:50 - 19:10 • Speaker Panel

Ms Tara Hambley

Prof Tilmann Fritsch

Prof Karl J Neeser

Dr Jennifer Krup

Dr Zayd Ratansi

Dr Nicholas J. Miller

Dr Joshua Dunsky

Dr Nady Braidy

19:10 • Conference Adjourned

Programme for Saturday Morning, October 14th, 2017

8:30 am • Registration Opens

9:15 - 9:40 • Lecture

Emerging Pharma Compounds

Mr Nikolas Psathas PhM^d Phar

9:40 - 10:05 • Lecture

Intestinal Gut Flora - Source of good Health & Longevity

Prof Claus Muss PhD

10:05 - 10:30 • Lecture

Clostridia bacteria as the cause of neurological and psychiatric disease: critical environmental causes of new epidemics

Dr William Shaw PhD

10:30 - 10:55 • Lecture

The Key to Health and Longevity - the Ultimate Lifestyle Strategies

Prof Karl J Neeser PhD

10:55 - 11:40 • Fruit Break

11:40 - 12:05 • Lecture

Interest of Biological Age Measurement in Young Adult Population

Prof Christophe de Jaeger
